Dear Parents

Many thanks to everyone for making such an effort to get children into school on time. It was a great benefit to the children in Year 6.

YEAR 6 SATS WEEK

There will be children working in ALL available quiet spaces around the school next week while our Year 6 children undertake their SATS. It is, therefore, **VITAL that ALL children arrive on time to school** so that no late children are disturbing our Year 6 children.

Unfortunately, how ever much we disagree with summarizing a child's achievement in in a test, at this age, that's how it is. Our children are amazing and they just need a quiet, relax space to shine. Thank you.

CORONATION CELEBRATION DAY

Well, we were exceptionally lucky that the weather held for us today after the wash-out forecast. It was still a little damp to have our picnic outside but we did enjoy a fantastic long lunchtime in some sun. The morning was still work, albeit mostly around the coronation, with specially selected activities, but the afternoon was full of coronation fun. The school was awash with red, white and blue throughout – what a brilliant effort everyone made!!!

Huge thanks to our fantastic kitchen staff for providing brilliant lunches and so much fun with the Golden Crown!!

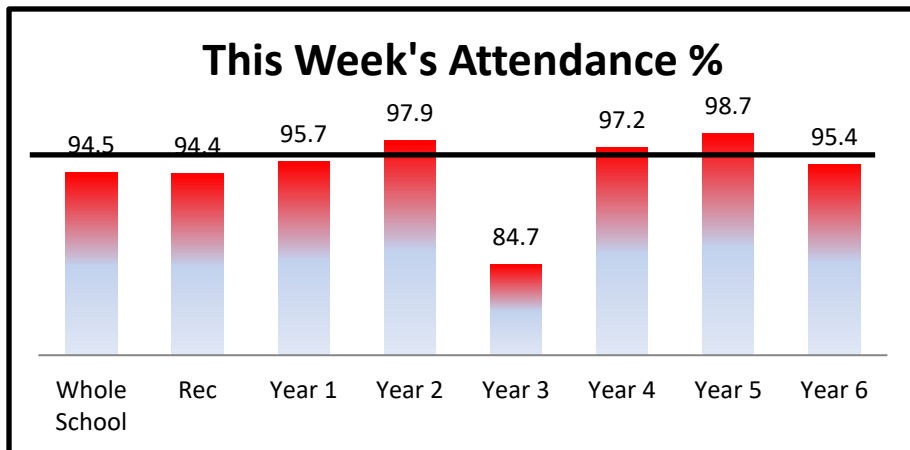

CASHLESS PAYMENTS

The cashless system is working exceptionally well. Huge thanks to all the parents who have swapped to the app to pay for Breakfast Club, After School Club and Dinner Money. Mrs. Jones has also put Y1's trip to Blue Planet on the app, so things are transferring over well.

PLEASE use the app for all of these payments to help the system run smoothly. **THERE IS NO OPTION TO 'BACK-PAY'** so if you want your child to stay for hot dinners next week, please pay in advance. We'll send an app out on Monday evening to remind parents to pay for lunches. Thank you for your support.

ATTENDANCE

This week's attendance can be seen below. **Our school target is 96% which is represented by the black line.**

Well done Year 2, 4 & 5. Only three of our seven classes above our target this week. Let's hope we have some better numbers next week.
